

New perfin

Another new perfin has made its appearance. This one is owned by Ellen Kupfer and bears her initials in script. The perforator was made by Baddeley Brothers in London. Ellen says she will perforate current stamps for members who provide an SASE. Write her at 28820 Bradley Road, Sun City, CA 92381.

The APS won't perfin stamps you send them, but they have made available a small supply of 7.7¢ coils with the APS perfin, so you won't have to leave a blank spot where the APS pattern should go. If you'd like a copy for your collection, send a replacement 7.7¢ stamp, or an 8¢ (or two 4¢ or whatever) and an SASE to Floyd Walker, Box 82, Grandview, MO 64030. A limit of two per member, please, because the supply is small.

THE PERFINS BULLETIN is published monthly (except July/August and November/December which are combined) by The Perfins Club, P. O. Box 82, Grandview, MO 64030. Second class postage paid at Grandview, MO. Membership in The Perfins Club is \$5 per July-to-July calendar year, \$4 of which is for a subscription to The Perfins Bulletin. The Bulletin is edited and published by Floyd A. Walker, Box 82, Grandview, MO 64030.
